PRASAD GUJAR

GRAPHIC DESIGNER

P O R T F O L I O

About Me

I am Prasad Gujar, a dedicated Graphic Designer with over 2 years of professional experience in delivering high-quality visual solutions. I specialize in creating social media ad creatives, marketing posts, and complete brand identity designs that effectively communicate brand messages and drive engagement.

With experience across diverse industries including manufacturing, service-based businesses, hospitals, hotels, and resorts, I bring a versatile and adaptable design approach tailored to each client's unique needs.

I also possess strong expertise in print media design, with in-depth knowledge of creating brochures, flyers, banners, business cards, certificates, and other marketing materials with precision and production-ready quality.

My design approach focuses on clarity, purpose, and visual impact, ensuring every project is both aesthetically refined and strategically effective.

"Structures That Inspire. Spaces That Impress"

NESTIA BUILDERS - LOGO DESIGN

Inspired by a bird building its nest, the logo symbolizes **care, precision, and creating safe homes**.

It reflects the brand's focus on building spaces with trust and purpose.

The serif font in "NESTIA" adds a premium and stable feel, while the sans-serif font in "BUILDERS" keeps it modern and clean—creating a balanced, professional identity.
